

SWEETWATER ISD

School Supply List 2011-2012

The supply list for SISD has been updated. Notice that hand sanitizer and wipes have been removed from the list. Please do not send these products to school with your child. Children should be monitored when using products that contain alcohol because it poses a possible health risk to them. In order to provide your child with a safe and healthy learning environment, automatic hand sanitizer dispensers have been installed in multiple locations on every campus and their use will be monitored by teachers.
