Sweetwater Names New Principal for SIS at the June 10 Special Board Meeting

(Sweetwater)— Superintendent Dr. George McFarland is pleased to announce the hiring of a new campus principal in Sweetwater ISD for the 2019-20 school year. Mr. David Hargrove will take the reins at Sweetwater Intermediate School when staff and students return for the new school year.

David Hargrove graduated from Angelo State University with a Bachelor of Science Degree in Elementary Education and earned a Master's Degree from Sul Ross State University in Mid-Management. Mr. Hargrove has served as high school principal, superintendent, and elementary principal for the Rotan ISD, and elementary principal for the Anson ISD. He was named TEPSAN of the Year for the Region 14 Education Service Center. Mr. Hargrove enjoys his family, working in the yard, Bible study, and participating in civic activities. He serves on the Board of Directors of the Anson Hospital District and is a deacon in his church. Mr. Hargrove is married to Geneva Ward Hargrove, a retired educator.

Mr. Hargrove was the unanimous choice selected from a group of seven teachers at Sweetwater Intermediate School who served on the principal search committee. According to Superintendent Dr. George McFarland, the committee was impressed with his demeanor and the presence that he will bring to the campus. "He and his wife Geneva plan on moving to Sweetwater and becoming a vital part of the community," McFarland added.

Mr. Hargrove stated:

I am very excited to be able to serve the students, teachers, staff, and parents of Sweetwater Intermediate School. I believe that our students must be challenged to accomplish high performance goals demanded by our society. I look forward to aiding students to achieve their highest potential in academics, to assist teachers in achieving success each day, and to diligently work with the parents of the Sweetwater Intermediate School students."

Mr. Hargrove will get started immediately with the task of ensuring that he and his campus are ready for the start of school in the Fall.
